

Herd Volunteer Description

North American Bison Discovery Center

Overview

We are seeking knowledgeable and passionate individuals to participate in our herd volunteer program. Whether you're passionate about bison, ranching, or just love connecting with people—we need you! Volunteers help bring the pastures to life by assisting with daily upkeep, feeding, daily operations, and even pasture tours.

Responsibilities:

- Assist with the daily upkeep and maintenance of bison pastures and facilities.
- Participate in daily feeding (if applicable) and other routine care of the bison herd.
- Support staff with various daily operations related to the herd management.
- Conduct or assist with guided pasture tours for visitors.
- Engage with visitors to share the stories of the North American bison and the center's mission.
- Other tasks as assigned

Requirements:

- Pass a background check
- Ability to sit and stand for long periods of time
- Interest in and desire to learn about bison
- Ability to lift 50 lbs.

At the North American Bison Discovery Center, you will play a vital role in caring for the herd and pastures of the museum. If you are passionate about ranching, bison, community, conservation, and museums, we invite you to apply for this exciting opportunity.

Please email curator@bisoncenter.org to indicate your volunteer interests, availability, and a time to schedule an interview.
