

Volunteer Position Description

North American Bison Discovery Center

Overview

We are seeking highly knowledgeable and passionate individuals to participate in our volunteer program. Whether you're passionate about bison, education, or just love connecting with people—we need you! Volunteers help bring the museum to life by assisting with public programs, events, daily operations, and even caring for our beloved bison herd.

Responsibilities:

- **Visitor Engagement and Education:** Share the stories of the North American bison with visitors by leading informal discussions, assisting with educational programming, and providing information about exhibits and the center's mission.
- **Public Program Support:** Assist with the planning, setup, and execution of public programs, special events, and workshops.
- **Front-Facing Tasks:** Provide a welcoming presence for all visitors, assist with greeting, answering general questions, and directing guests throughout the facility.
- **Daily Operations:** Support staff with light administrative tasks, gift shop assistance, and general facility organization as needed.
- **Bison Herd Care:** Under staff supervision, assist with non-strenuous tasks related to the daily care, feeding, and observation of the resident bison herd.

Requirements:

- Pass a background check
- Ability to sit and stand for long periods of time
- Interest in and desire to learn about bison

At the North American Bison Discovery Center, you will play a vital and highly visible role in sharing the stories of the North American bison with visitors, helping with front-facing tasks, and various tasks that spark your own interests. If you are passionate about history, bison, community, and museums, we invite you to apply for this exciting opportunity.

Please email curator@bisoncenter.org to indicate your volunteer interests, availability, and a time to schedule an interview.
